

Pursuant to Government Code Section 11125.3, the Conservancy may take action upon the following item of business not appearing on the posted agenda upon a determination that there exists a need to take immediate action and that the need for action came to the attention of the Conservancy subsequent to the agenda being posted as specified in Government Code Section 11125:

The Conservancy may hold a closed session to consider security precautions for properties and facilities owned and /or managed by the Conservancy or the Mountains Recreation and Conservation Authority pursuant to Government Code Section 11126(18)(A), (B), (C), and (D). Consultation with: Chief Ranger of the Mountains Recreation and Conservation Authority.
